Spring Break PowerPoint Presentation

To share about what you did over spring break, you will be making a PowerPoint presentation and present it to the class. For your PowerPoint, you will be required to share things that you did over spring break, even if it is video games you played, or food you ate. You will also be required to add photos to your presentation.

Your PowerPoint should have the following:

- 10-12 slides
- Title Page/Introduction Slide
- At least 4 pictures either taken yourself or online
- 2-3 minute presentation
- Slides with words should be in point form
- Your presentation should have more spoken details than what your slide says
- Pictures in your slides should be explained and talked about in your presentation

Due Date: April 8th
